Careers Wheel and PE/Drama	PE and Visual Art	Career Research/ Decision Making and Arts & Electives	Arts & Electives (Personal Project)	TOK (required) 2nd IB Science or IB Psychology or IB Economics or IB Music Theory or IB Theatre Arts or	IB Psychology I or II IB Economics I or II IB Music Theory IB Theatre Arts	Standard or Higher

- ~ MYP students are required to complete a personal project in their 10th grade year.
- ~ Diploma Programme students choosing science research as their extended essay subject **must** take the Science Research Elective in their junior year.
- ~ DP Students must take at least three, and not more than four IB exams at the higher level. The remainder of the six exams are taken at the standard level.
- ~ At least one IB exam or a maximum of two must be taken the junior year.
- * IB Biology SL and HL and IB Physics SL and HL are two-year sequence programs and are only recommended for strong Science and Mathematics students.
- ~ **The availability of individual courses is subject to sufficient student interest and teaching staff considerations.**
